

Dipika Patel

I am a certified Holistic Wellness Practitioner, working with a wide range of healing modalities, for your healing experience.

Treatments

I use healing energy therapies and am a Certified Komyo Reiki Kai Master, Intuitive Healer, Certified Integrated Crystal Energy Therapist and a Certified Aromatherapist. Whether you're working through grief or holding onto grudges. In physical pain or seeking peace. Are desiring a deepened experience in gratitude... these therapies or a combination thereof, will show you how to live more fully with the vibrational power that is your truth through the use of very deep and healing modalities.

Personal Coaching

I can also help you reset yourself and find balance through laser focused personal coaching. Whether you are struggling with health issues, physical pain, emotional pain, or you are struggling with real life and do not know how to get out of that rut, these coaching programs are for you. This program leads you to the right path so you can start to make the right choices to LOVE YOUR LIFE HEALTHY.

I can't wait to get to know you. The world is waiting for you to show up as you, not as the baggage which was your past.
